this timely book is a crucial resource on the rich diversity of african constitutional law making a significant contribution to the increasingly important field of comparative constitutional law from a historically understudied region offering an examination of substantive topics from multiple jurisdictions it emphasises issues of local importance while also providing varied perspectives on common challenges across the continent

mostly reprints from various medical journals

he who can change the constitution controls the constitution so who does control the constitution the answer has always been the people the people control the constitution via the article v amending process outlined in the constitution itself changes can only be made through article v and its formal procedures article v has always provided a means of perfecting the constitution in an explicit democratically authentic prudent and deliberative manner in addition to changing the constitution article v also allowed the people to perfect and preserve their constitution at the same time in recent years article v has come under attack by influential legal scholars who criticize it for being too difficult undemocratic and too formal such scholars advocate for ignoring article v in favor of elite adaptation of the constitution or popular amendment through national referendums in making their case critics also assume that article v is an unimportant and expendable part of the constitutional structure one notable scholar called the constitution imbecilic because of article v this book shows that to the contrary article v is a unique and powerful extension of the american tradition of written constitutionalism it was a logical extension of american constitutional development and it was a powerful tool used by the federalists to argue for ratification of the new constitution since then it has served as a means of perfecting the us constitution for over 200 years via a wide range of amendments contrary to contemporary critics the historical evidence shows article v to be a vital element in the constitutional architecture not an expendable or ancillary piece this book defends article v against critics by showing that it is neither too difficult undemocratic nor too formal furthermore a positive case is made that article v remains the most clear and powerful way to register the sovereign desires of the american public with regard to alterations of their fundamental law in the end article v is an essential bulwark to maintaining a written constitution that secures the rights of the people against both elites and themselves
